

FLORENCE COPPER IS AWARDING \$2,000 IN SCHOLARSHIPS!

Two \$1,000 scholarships will be awarded to high school seniors who live and study within Florence. Application deadline is **April 29, 2016**

ABOUT THE FLORENCE COPPER CREATING OPPORTUNITIES SCHOLARSHIP

Florence Copper Inc. is proud to be in its 6th year of the Creating Opportunities Scholarship Program. Since the program was established in 2011, Florence Copper has awarded over \$56,000 in scholarships to talented students in Florence to help them pursue a higher education.

Florence Copper Inc. is committed to this community and to helping young people achieve success in their education, and we believe strongly in supporting academic success.

This year, two \$1,000 one-time scholarships will be awarded to high school seniors who live in and attend school in Florence, Arizona.

STUDENT ELIGIBILITY

Applicants must live and attend school in Florence, Arizona.

SELECTION CRITERIA

Scholarships will be judged and awarded based on the following criteria:

- Academic, athletic, or other achievement (community, volunteer, etc.)
- Leadership capabilities
- Achievements, awards and recognition at school, in the community and/or personal activities
- Creativity and quality of video submission and application essay
- Letter(s) of recommendation

Awards will be made without regard to race, color, religion, sex, national origin, age, disability or other protected classifications.

HOW TO APPLY?

Complete this form, essay and video by **April 29, 2016** and submit to Florence Copper.

THE ESSAY.

As part of the application process, we require a short essay of 500 words or less on ***how copper impacts your lifestyle***.

THE FUN PART.

Florence Copper Inc. is a proposed in-situ copper recovery facility located in Florence, Arizona. We are in the advanced permitting stages for a Production Test Facility. More information about the Florence Copper Project is available at www.florencecopper.com.

As part of the application process, we are asking students to record and edit a two minute video on ***how copper plays a role in your everyday life***.

We encourage you to be creative. Act a play, sing a song, recite a poem, or anything else. The more creative the video the better. No fancy equipment is necessary. Cell phone recordings are just fine. We are looking for videos that are creative and also educate an audience about how copper has many uses in our society and is important to modern lifestyles.

Basic editing can be done with programs such as iMovie (for MAC users) or Windows Live Movie Maker (for PC users). Still photography options used in these programs will be accepted with sound effects (voice narrative, sounds or music added). Tutorials for how to use these programs can be found online. Final submission must be in a supported YouTube file format. Any music used must meet YouTube's copyright guidelines.

FLORENCE COPPER CREATING OPPORTUNITIES SCHOLARSHIP APPLICATION

Applicants must ensure the application is completed in full. Please print or type directly onto the form. Use additional sheets if necessary. Incomplete applications will not be accepted. Applications without a Letter of Recommendation will also not be accepted.
